My friend George invited me to spend the weekend at his summer home on the island to celebrate my forty-first birthday. I couldn't make it but I could a couple weeks later. When I got there, he showed me around and we dined and had good laughs. On Sunday his friend came over, not knowing I was there. I thought he was really sexy with his bald head and great body. Can you guess what's next?

I started making oiut with the two guys and we ended up on the sofa with a cock in each hand, drawing them into my mouth and then into my pussy and ass. It was a great birthday present and I can't wait for my forty-second birthday to cum. But I'm no fool, I know I won't be waiting that long to do these guys again.

Bad boys, bad boys. Can't wait to me a bad boy! And I found me a good one. He's rough, he's tough and he's got a cool name. But the baddest are those tats. And I can't wait to get my mouth around his cock and suck that jizz right out of him. Then I'm going to fuck him like the bad boy that he is.

I grew up all sweet and coy, trying to be a good girl and date good guys. I never got a chance to go through my bad boys phase. Now that I'm into it, I love it. They are good fucks with a lot of energy and attitude. Just the way I like them. I only wish they would spend more time licking my pussy than flexing and being bad. That makes me good.

40+ #39

To the editor,

I don't know how you guys do it, but all your 40+ cover girls are super hot. I have a subscription and I'm constantly amazed at how hot they are. And Nicki is no exception. She's the rule! And her pictorial inside was super hot, too. But the ladies on either side of her layout took it in the ass and that was super hot. My lady friend does it too and that's super hot.

— Dallas, NYC

I thought it quite appropriate that I write to you because I am forty-five years old divorcée and saw your magazine at the marina newsstand. I bought it and was quite enthralled with the lovely older ladies in it. It made me think about a scene this past summer that involved my neighbor's son and me while we were out boating.

There are several of us that have houseboats moored at the nearby marina and on weekends we go out, some with their wives and kids, on the lake and park them all together and party. I usually have a lady friend for company and everyone's pretty cool about things. Earlier that week, Derick and I were talking out by my pool and he was lamenting about not being able to get laid since being home from college. He's not the most handsome guy, but has a nice smile and always has been helpful to me through the years we lived next to each other. So I decided to take it upon myself to give him an afternoon that he would never forget.

I have a nice little forty-footer of a houseboat so I invited him to come down for an afternoon cruise and he said he would. Unknown to him, I had also invited two ladies to come along and party. Maybe he would get lucky. They were around my age and quite liberal minded.

Noreen and Stephanie arrived promptly at two and I had the champagne waiting for them. They saw a fourth glass and asked who was joining us and before I could say his name,

Derick jumped onto the deck off the gangplank. I introduced them and he seemed quite flustered and looked at me as if to say WTF. I explained that they worked with me and I had invited them a while ago, but this was the only day they could find time to come boating.

We motored away from the dock and I showed Derick around the houseboat after the ladies went below to get more drinks. Noreen came up after a few minutes and said that she would like to get some sun. Stephanie said she wanted some too. I told them to make themselves comfortable anywhere they liked. The girls took off their summer dresses and had bikinis on underneath. They spread out on the cushions and started to apply suntan lotion on each other. Derick was with me as I showed him how to steer us out to open water. Apparently his mind was not on my instruction. We both watched as Noreen reached back and on fasten her bikini top and removed it. Stephanie did the same.

Stephanie rolled onto her back and her bare breasts were magnificent in the sun. They were tan on the sides but paler where her top had been. Her nipples stood out darker against her skin tone. Then Noreen rolled over and all four boobs pointed skywards. Derick throttled back the engines and made the boat lurch. The girls sat up quickly, their boobs bouncing with their movement. He apologized with embarrassment when they said "What's wrong?"

"Oh nothing." Derick said, "You two are too much of a distraction." Putting his hands in his pockets trying to hide his erection. Stephanie looked at his crotch and said, "Well here's the problem." She started to untie his board shorts. She yanked them down as hard as she could. His

erection sprang out and up. He was about eight inches long and quite thick. "Wow! Look at what I found. Noreen, come look at this." Noreen bent over to get a closer look. "Wow, that's an awfully big cock – but how does it taste?" The two ladies are now kneeling in front of his huge dick and teasing him. "I don't know yet but it sure looks good. Wow! I can barely get the head in my mouth. You have a bigger mouth, you try it." says Noreen.

"Why don't you girls take Derick down below?" I said there was no one steering the boat and I should tend to it. The ladies agreed and grabbed his cock to lead him down. I looked down below to find them both removing their bikini bottoms. I stopped the engines and went to the stairway so I could see them better and heard Stephanie say, "Get on the bed?" He flopped on the bed the girls right behind him. Stephanie looked at him and started sucking on his cock. Noreen was up at the front end pulling his shirt off. All of a sudden I heard him say, "Stephanie, let me get inside you before I cum." He slid back and down between Stephanie's legs. She grasped him and slid the head of his cock up and down the lips of her wet pussy. Stephanie grabbed his hips and pulled him forward, "Deeper," I heard her say. "What a cock. Noreen I can't wait for you to try it." Derick began to thrust into her. Stephanie was being rocked by orgasm after orgasm. Noreen watched and kissed him on the lips. Her hand slipped down and grabbed his balls. He stiffened, jerked and flooded Stephanie with shot after shot of cum. He fell over on his side breathing hard. "Hey you two, I want some too!" cried Noreen jumping in between them.

He slipped down between Noreen's legs and brushed his tongue over her outer lips. He found her clit and sucked it into his mouth. Then he pressed his face hard into her pussy and rammed his tongue as far in as it would

go. Noreen let out a howl that shook the boat. I watched as Derick crawled up over her and slipped his big cock deep into her. He pumped her hard and I heard him growl that he was about to come again. Noreen locked her legs around him and screamed as loud as she could. Then there was silence and a few minutes later I saw the two naked ladies come up on deck and go back their sunbathing. I did not see Derick the rest of the day until we docked. I thought, oh to be young again.

– Andrew, Las Vegas

Dear Editor,

I'm finally getting around to writing you a letter about your magazine. I've seen it go through changes over the years, but one thing has remained the same. The great looking ladies you put in it every month. I especially like the boy-girl and girl-girl couplings. It's nice to see young people, supposedly married, doing things most of us only can dream about.

To that end, I just want to comment about those two super sexy felines in the pictorial *Rachel & Aline*. I love exotic women and those two were the cats meow. The long hair, the long fingernails, the long tongues, that all made me crazy hot. Over the years, I've stroked off many a time to each issue, but this one has to be right up there with my highest numbers. If you could find it in your heart, and in your library, can you print just one more picture of

Loved the two babes fucking each other in your last issue. You know, the blonde and the brunette. What was especially cool is that they were outside. I've seen enough bedrooms, but fucking outdoors. That's nice. One more picture?

– Nicholas, LA

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 9030 W. Sahara Ave. # 422, Las Vegas, NV 89117. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

them. It doesn't have to be a sex shot, but one would be nice. By the way, if there's any way that I could get on a photo shoot, especially a girl-on-girl shoot, please let me know. I'd pay my way there and even foot the hotel bill. What do you think?

— Jasper, Toledo

To 40+ magazine:

My wife and I decided to go to one of those couples resorts near Acapulco and I have a story that your readers may like. It was our 4th night there and we had just finished a late dinner. We went back to the room, which, like many others, overlooks the pool area. The pool was deserted except for a couple young ladies still laying back on the beach chair. As I watched, one got off her chair and went to the other's who seemed to welcome her by spreading her legs open. The first girl knelt down and pulled her friend's bikini bottom off and started licking her pussy. I rubbed my eyes to be sure I was seeing straight. I called to my wife to come see this. She came out to the balcony and took a look. She turns around to walk back into the room, but sneaks right behind me and slides her hand down my loose pajama pants. She starts stroking my semi-hard cock and brings me up hard immediately then lets go for a moment to pull by jammies just below my butt so my cock could free itself. She grabs it again from behind and starts to stroke me harder. She whispers in my ear that I should keep watching the girls. After a few minutes I hear one of them moaning as if she is coming and then I let a moan out as I cum right after her. I spew it over the balcony and look down hoping I didn't hit anyone with it. Now that was fun!

— David, Memphis

To the editors,

Your last issue of **40+** was amazing. I cannot believe how hot Harmony was, and what a hot scene she did. She's so hot and then to let the guy fuck her ass was incredible. The disco room reminded me of a few trysts that I had over the years in nightclubs, although neither I nor my gal pals ever got that naked. Nor did I ever get a chance to butt-fuck any of them at the clubs. Anyway, keep up the good work and I'll keep buying.

— Mike, Boston

Dear 40+:

I do not have a great story for you but I'm writing this letter because my husband and I are avid readers of your fabulous magazine. As a woman, I was hesitant about looking at men's magazines until one day when he inadvertently left an issue of **40+** in the bathroom. I have to admit that I am in love with the women in your photos. They seem to have a confidence about them. Not like the eighteen year-olds in other mags. They get me hot and by the time I finished looking them I had to masturbate right away. So I sat on the toilet with no underwear on and slid my hand down there. I had the magazine on my lap and found myself coming after only a few minutes. My husband doesn't even get me off that fast. I'm thinking I may surprise him one night and bring the issue into our bed. I have a feeling that once we get over the embarrassment of looking at the pictures, they'll be a huge turn on! So keep up the great work, and please don't change a thing.

— Irene, Gary, IN

40+ #39

*I'm writing to express my pleasure and displeasure at the Harmony pictorial in your **40+** mag. First, he is one smoking hot lady who seems to like taking it in the ass — which is a good thing. The guy put her through some nice positions where we could see her butt being fucked.*

However, don't you guys recognize a great looking woman when you see one? Yeah Nicki was good as a cover model, but Harmony would have been great. If you guys need help picking models for your book, I'd be happy to come and give you some pointers.

Goldie stood by the door talking with Jodie for a few minutes and then reached in a bag and handed the pink dildo to Jodie. As her sister left, Jodie closed the door, giving her a big thumbs up.

fun with toys

Let me tell you how much I love my wife... A couple weeks ago, Jodie and I arrived at our house after going to the movies where we noticed once again several cars in front of our house and figured her sister, Goldie, was throwing another party. When we went in, we saw two couples that I didn't know and a few ladies sitting around the living room, sipping drinks and laughing. They were all laughing and having a great time. Goldie introduced Jodie to everyone and Jodie as I sat down on the only available chair. Jodie sat on my lap and we joined in on the conversations and merriment.

As I looked around the at group, I hadn't notice at first but laid out all across the coffee table were sex toys and lingerie. Apparently this was an engagement party for Jack and Fanny, one of the couples there. I had heard of these parties but had never been to one.

Arranged on the table and tucked into corners of the sofa and chairs were vibrators, oils and lingerie. Some of it was still in boxes and other had been opened and were being passed around with great amusement. One of the ladies held up a big pink dildo and said, "This looks like one I would like," and then added, "But I would rather have someone use it on me then use it alone." Jodie stretched out her hand and took it from

the lady and studied it for a moment and then looked at her sister and said "Don't you wish you had a man who had something like this?" Everyone laughed except Goldie who I could sense was a bit embarrassed. Jodie then lifted the dildo up toward her mouth and said, "I would start by doing this." And she started to seductively and gently lick it.

I pinched Jodie and whispered for her to stop but then Goldie shouts out "Come on sis, show us how you do it!" There was more laughing and that was all the encouragement Jodie needed. She started to push the pink dildo into her mouth and suck on the head on the head of it. I could see it up close now. It had realistic looking veins up and down the shaft and a perfect mushroom cap on the head. Even the balls hanging from the base of the shaft looked realistic. I wanted to stop her but was also kind of turned on watching her perform for the group. I looked over at Goldie and she just smiled and shook her head like she couldn't believe it.

Everyone seemed to be having fun with it so I just watched as Jodie stood up and propped up the base of dildo on the edge of the coffee table. Then she got down on her knees and started to suck on it up and down. Everyone was getting a bit carried away by now and they were encouraging Jodie to go wild on the big pink life-like dildo. Jodie continued to suck, using the same technique she always used on me. I looked around the room and everyone seem to be into it.

Then Jodie looked up at Goldie and reached out with her hand, "Come here sis." Goldie just sat there with this look of shock on her face but I think all of us were even more shocked when she actually got off the couch and got down on her knees next to Jodie. Jodie moved down and licked on the ball sack and the two of them worked on it like a team of porn stars trying for a cock-sucking award. Everyone was pretty quiet now watching the show and I'm sure the four of us guys were stiff as hell watching. Goldie was a little more

Jodie was all for it and said she would do it again and again if I was okay with it. I told her I was and said I didn't even mind her using it when I wasn't there.

conservative than the others but there she was showing off her skills. I sat there wondering where, or on who, she learned to do that. She played the stand-offish girl, but was probably a little slut underneath it all.

The night wound down and people collected their things as midnight approached. Goldie stood by the door talking with Jodie for a few minutes and then reached in a bag and handed the pink dildo to Jodie. As her sister left, Jodie closed the door, giving her a big thumbs up.

With everyone gone and the house now quiet, went off to our bedroom. Jodie and I were both very turned on and we got quickly undressed and into bed. I licked and kissed her body all over and then slid down to suck on her pussy. I handed her the dildo and looked up to watch her sucking on it. It was so hot seeing her take it in and out of her mouth while I tongued her pussy. I moved up onto my knees and slid my cock into her, all the time she was sucking and slurping on the dildo with passion. I pushed my cock in and out of her and eventually had to pull out since I felt like I was going to blow my load any second. I took the dildo away from her mouth and gripped the base of it and slowly worked it into her pussy. It was definitely bigger than me.

I watched it disappear into her as I leaned down and licked her clit while pushing it in and out slow. Jodie

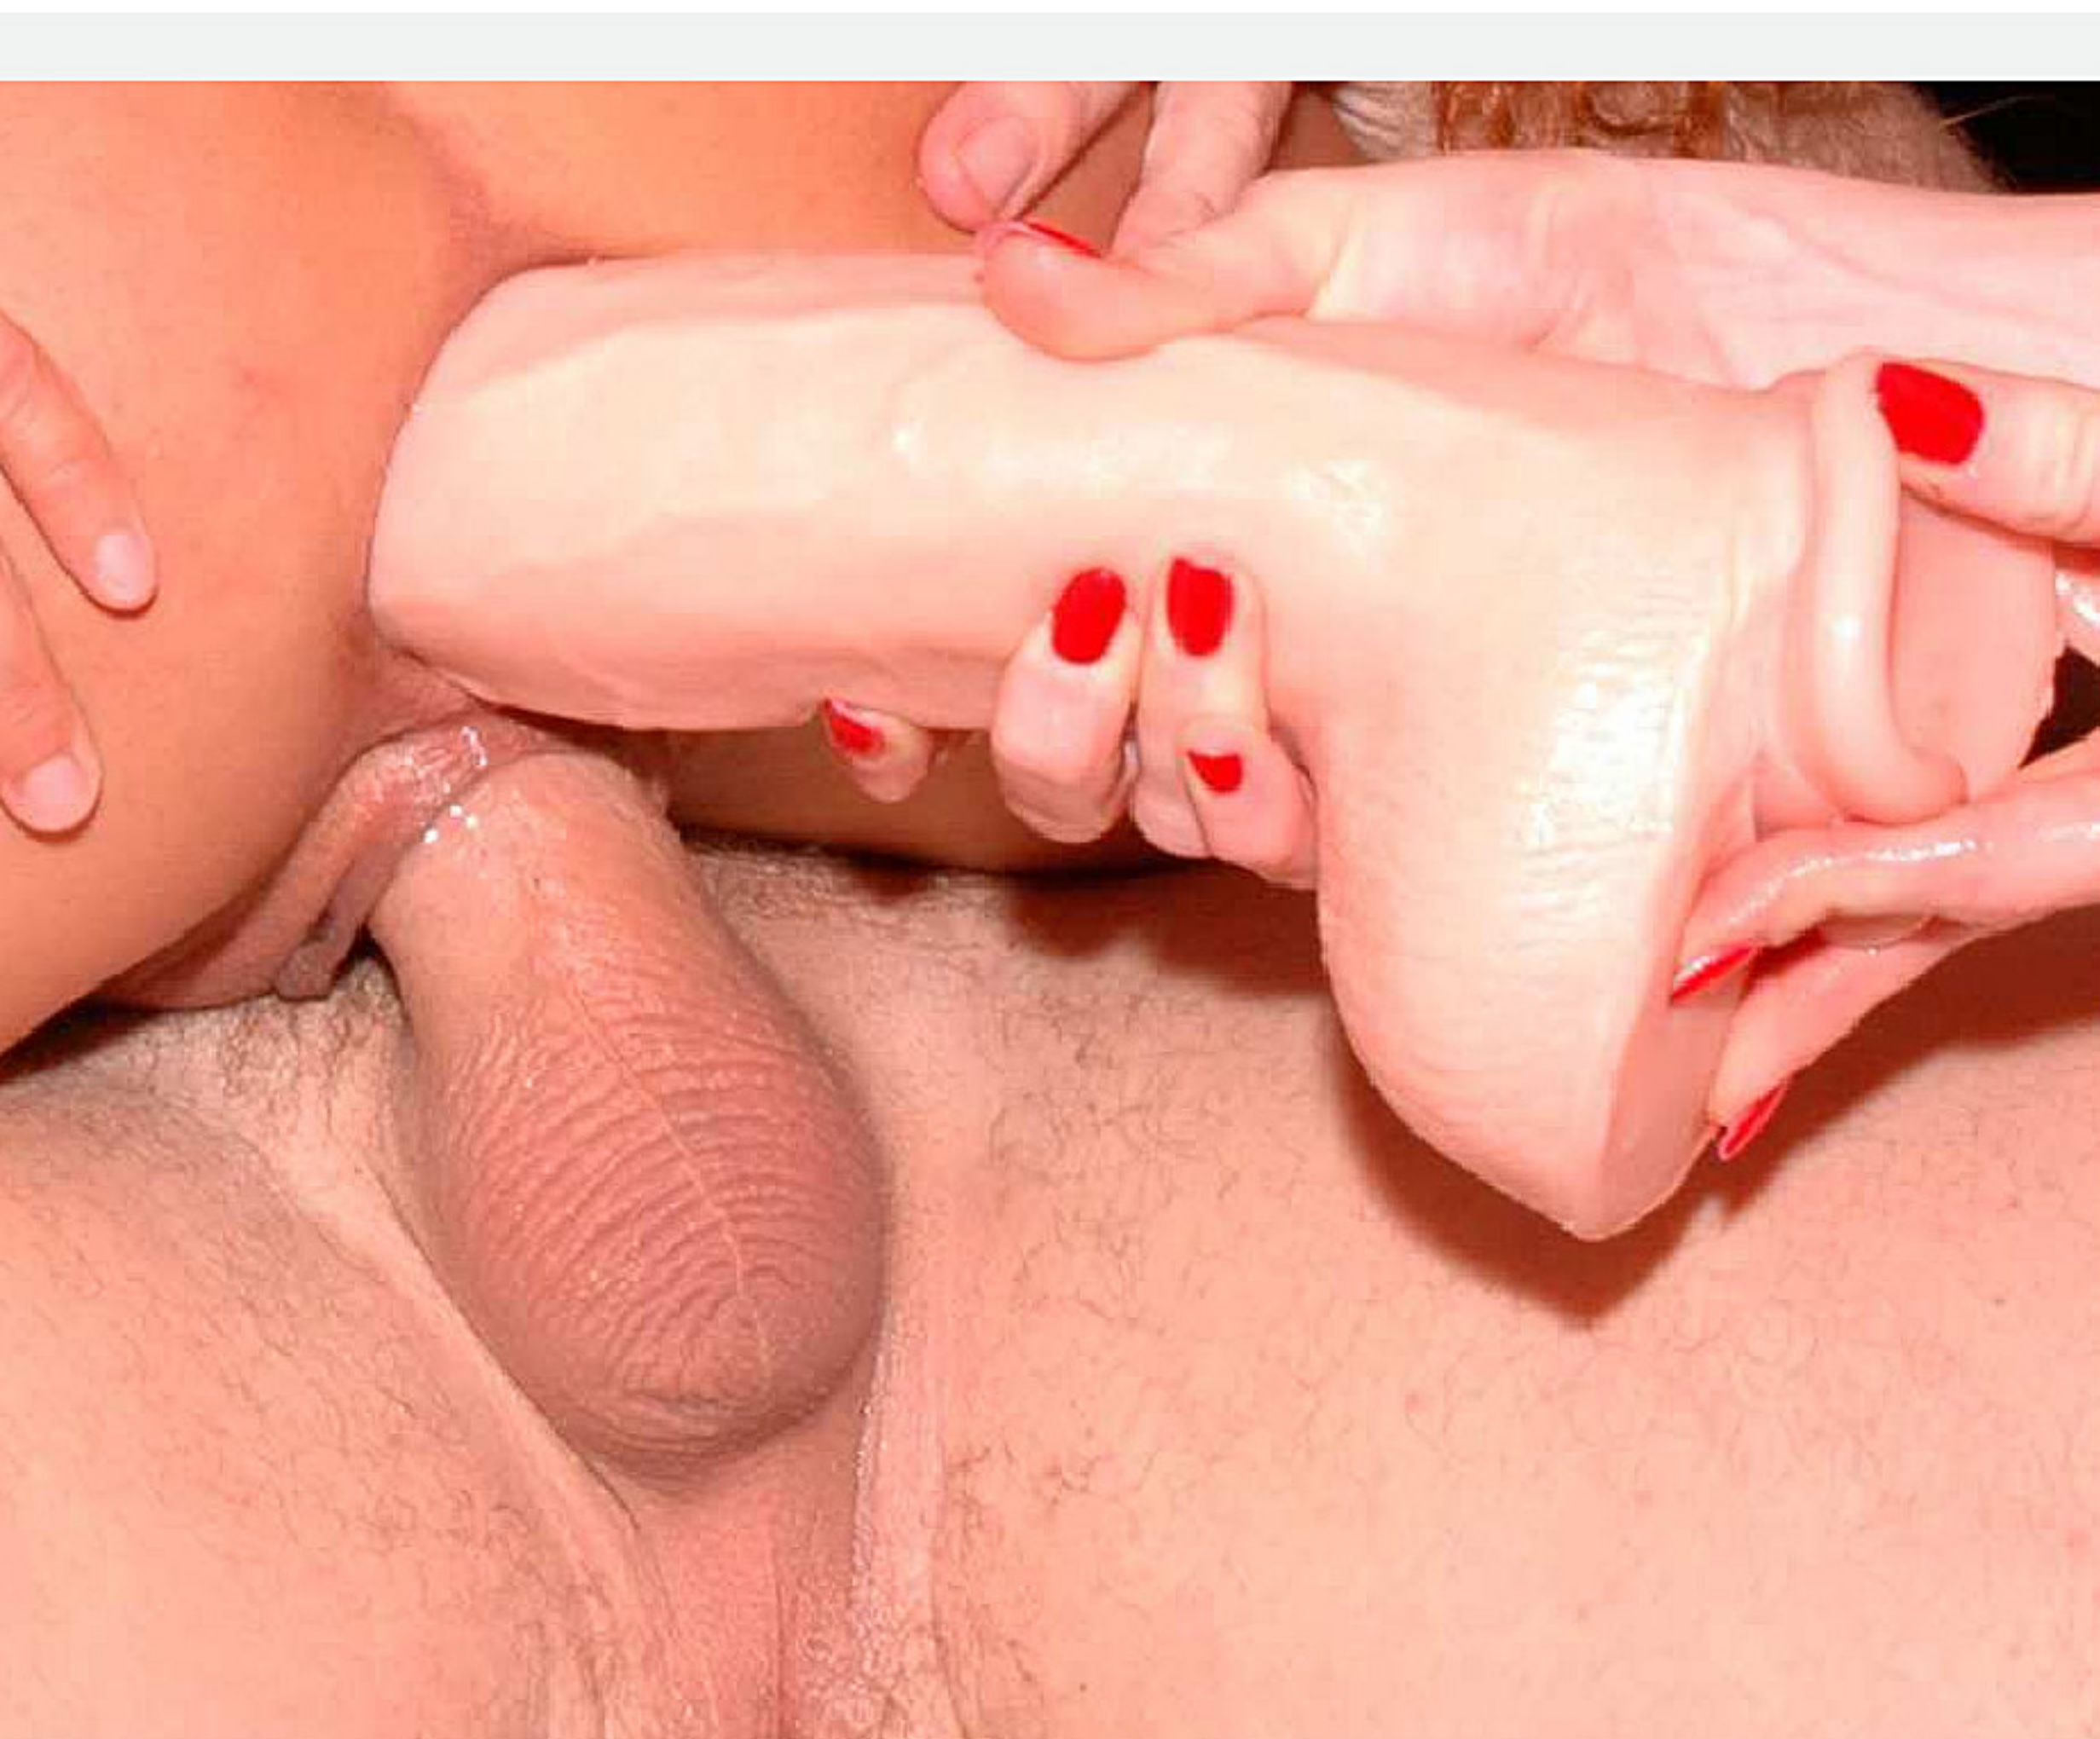

squirmed and wiggled as I continued to play with her. She then let out a little squeal and came hard as I pushed it deep into her. I slowed down for a moment and then started on her again. Then I pushed her over onto her stomach with the dildo deep inside her and started to run my tongue all over her sweet tight asshole. I darted my tongue in and out and got her sloppy wet. I got next to her and pressed the head of my cock against her moist anus. When I finally was fully into her, I pulled her over and onto me. I was lying on my back now and she was lying with her back on top of my chest facing up toward the ceiling. My cock was deep into her ass now and the dildo was firmly in her pussy. She grabbed the base of it and pushed it in and out of her while I lifted her by the hips and gently wiggled my cock around in her tight ass giving Jodie her first double penetration.

I moved us around sideways and I reached around to take control of the dildo and grabbed it by the base and worked it in and out of her fast. It must have been an incredible feeling for her. Finally, I let go of the dildo, lifted Jodie's legs up into the air and exploded into her ass. The tight grip made it even more intense and I could feel my cock pumping hard as my balls drained completely. I rolled Jodie onto her side and felt her tight ass muscles slowly push me out of her. The dildo was still buried deep into her and she pulled it out nice and slow. We held it between us and talked about how we felt using it. Jodie was all for it and said she would do it again and again if I was okay with it.

I told her I was and said I didn't even mind her using it when I wasn't there.

We both needed some water to drink after that session so I slipped on my shorts and went to the kitchen. I turned the lights on and noticed some leftover packaging had been left on the counter. I gathered it up to throw it out and noticed a few cock rings amidst the cardboard and plastic. I looked at them for a moment and slipped one on around the base of my cock and behind my balls. Almost immediately I started to get a little harder.

Smiling to myself, I went back upstairs and stood by the bed right in front of Jodie's face. She saw I was hard again and reached out to grab my cock. I guided her hand to the ring and she felt it, looked up at me and smiled. "I never thought you'd be a fan of sex toys," she said as she pulled my cock into her mouth. "I am now!" I said.

RENEE & BYRON SHANE

These dude have some mighty big balls, and extra large cocks too. I don't know if I'm in over my head today. How do they keep them in their pants?

But I'm ready for the challenge. My mouth is ready, my pussy's ready, and I'm gonna get my butthole all slickered up so they can fuck it, too.

While you all were busy turning the pages and yanking off, I got a hold of these two big dicks and had my 6 way with them. The guys wanted to take a break but I wouldn't let them. I said my butt needs your cocks right now and they were so sweet to oblige me. Now you can see and hear me get fucked. I'm a screamer!

But I'm not done with you yet, I paw at you until there is no more resistance. Your rattlesnake is hissing at me but I take it in one big swallow. No need to chew. Then you hunt me down with your big gun and I am no match. It explodes into me and leaves me limp. Then I prop back up on the pillow and am your teddy bear once again.
